RE: Docket No. AB-1077X ~~REGULATORY CENTER~~ Railway, LLC—Petition for
Exemption—in Coffee County, AL.

Dear Madam/Sir:

On or about November 9, 2011 we expect to be filing with the Surface Transportation Board ("STB") a petition for exemption seeking authority for the Wiregrass Central Railway, LLC to abandon a approximately one mile rail line between milepost 820 and milepost 821.2, near Enterprise, in Coffee County, AL (the "Line").

Attached is a Combined Environmental and Historic Report describing the proposed action and any expected environmental effects, as well as a map of the affected area. We are providing this report so that you may review the information that will form the basis for the STB's independent environmental analysis of this proceeding. If any of the information is misleading or incorrect, if you believe that pertinent information is missing, or if you have any questions about the STB's environmental review process, please contact the Office of Environmental Analysis (OEA), Surface Transportation Board, 395 E Street, SW, Washington, DC 20423, telephone 202-245-0295 and refer to the above Docket No. AB-1077X.

Because the applicable statutes and regulations impose stringent deadlines for processing this action, your written comments to OEA (with a copy to our representative) would be appreciated within 3 weeks. Your comments will be considered by the STB in evaluating the environmental impacts of the contemplated action. If there are any questions concerning this proposal, please contact our representative directly. Our representative in this matter is Melanie B. Yasbin who may be contacted by telephone at 410-296-2250, email at Melanie@lgraillaw.com, or mail at Law Offices of Louis E. Gitomer, 600 Baltimore Avenue, Suite 301, Towson, MD 21204.

Sincerely yours,
